

As a registered user of the iCourt Portal, we want to make you aware that this resource will be unavailable during the upcoming weekend as we transition sixteen Idaho counties to the new iCourt system. This transition is scheduled to start at 5pm tomorrow (October 5) and conclude at 8am Tuesday, October 9. Should this timing change, we will be sure to provide you with an updated schedule.

Thank you for your understanding and patience as we support our Idaho counties during this transition.
